

Residential Credit Application

(Please complete information and fax to 330/833-1031)

In addition to providing outstanding home comfort products and services, Campbell Oil Company is always looking for ways to serve you better. One of the best ways we can think of is to extend you credit. Qualified customers tell us they enjoy the ease and independence this payment method offers.

Once a credit limit is established, you can apply not only your fuel purchases to this plan, but any equipment installations or service calls as well. At Campbell Oil Company we think this is an ideal way to manage your bill payments and important expenses.
